Webinar in collaboration with Fudan University China

Informational Webinar on "Electrochemical Methods: Techniques to Applications"

Tentative Date: 5th **April 2021 Time:** 11:00 am to 03:00 pm

Modality: Online Event (Google meet)

UGC RECOGNIZED

Link for Meeting: https://meet.google.com/asb-akwy-ipc

Registration Link: https://grgo.page.link/a4ux4

Schedule for the Webinar

11:00 – 11:10 am	Inaugural and Opening Remarks
	Prof. Rajib Bandyopadhyay, Head, Dept. of Chemistry, PDEU
11:10 – 12:10 pm	Basics of Electrochemical Studies by Dr. Shahid Mehmood, Fudan University
12:10 – 12:20 am	Q&A session
12:20 – 01:20 pm	Interpretation of the Results by Dr. Shahid Mehmood, Fudan University
01:20 -01:30 pm	Q&A session
01:30 – 2:00 pm	Electrochemical Applications in Energy Storage: Supercapacitors by Dr. Syed
	Shahabuddin, PDEU
02:00 -02:10 pm	Q&A session
02:10 -2:40 pm	Electrochemical Sensors: Basics and Applications by Dr. Rosy, Indian Institute
	of Technology-BHU
02:40- 02:50 pm	Q&A session
02:50 – 03:00 pm	Concluding Remarks

^{*} The talk should be ca. 30 min with a 10 min Q&A period

Organized by: Department of Chemistry, School of Technology,
Pandit Deendayal Energy University, Gandhinagar, Gujarat.

Participating University:
