

## ASME Student Section PDPU

ASME student section in PDPU was started in December 2013 by action of Board of Governors of ASME international.

ASME, founded as the American Society of Mechanical Engineers, is a professional association that, in its own words, "promotes the art, science, and practice of multidisciplinary engineering and allied sciences around the globe" via "continuing education, training and professional development, codes and standards, research, conferences and publications, government relations, and other forms of outreach".

## **ASME Section in PDPU:-**

ASME section in PDPU was established with aim of inculcating, imparting and nurture technical knowledge amongst Mechanical Engineering students by conducting and arranging:-

- Technical Workshops
- Guest Lectures
- Industrial Visits

## **ASME Members in PDPU:-**

There are currently around 45 active student members in ASME student section. Two referral drives have been conducted till now since the section was formed.

## **Events:-**

### **Events Done:-**

- Introductory session for freshers to ASME and ASME section in PDPU.

### **Events planned:-**

- Expert lecture on design of industrial heat exchanger.
- Workshop in gas pipe design on natural gas.
- Workshop in pressure vessel design as per ASME standards.
- Industrial Visit.

## **Student Section committee:-**

# **EVENT REPORT**

**CHAPTER NAME:** ASME- American society of mechanical engineers

**EVENT NAME:** Introductory session

**EVENT DATE:** 16<sup>th</sup> September 2014

## **INTRODUCTION:**

The ASME student chapter of PDPU organized a meeting with the students – an introductory session, which was open to all.

## **MOTIVE:**

The main aim was to familiarize the students about the organization and its various aspects.

## **EVENT DESCRIPTION:**

The event was organized on 16<sup>th</sup> September 2014 at 5:00 pm in LH-1, D-Block. There was a participation of around 70 students from the first year mechanical as well as industrial engineering departments.

The committee members detailed the students about the organization and its functioning. The various benefits that the students could avail to hone their skills as engineers, were thoroughly explained.

The meeting was concluded by a word from the faculty mentor- Dr. Vimal Savsani.

The students then clarified their doubts making the meeting an interactive introductory session.

## **EVENT OVERVIEW:**

The students, specially freshers, carefully listened and understood the various advantages they could avail by joining ASME.

## **PROBLEMS FACED:**

There was a sudden shift in the venue at the eleventh hour and this caused inconvenience in conveying the same to other students.
